More Than Friends

Danny Fernandes

We can more than friends
I know you want me
You want me want me ya ya ya ya
I never want this night to end
I know you love me
You love me love me ya
(repeat)
Baby girl I know you want it all all all
You want me to give it to you like this (ya)
You say we're friends but this feels like we're more more more
Why don't you come ooooooooverrr (come on over to my house)
Come over baby
Come come over baby baby
I want you to come ooooooooover (come on over to my house)
Come over baby
Come come over baby baby
We can more than friends
I know you want me
You want me want me ya ya ya ya
I never want this night to end
I know you love me
You love me love me ya
(repeat)
Baby it ain't like it was before- fore -fore
-?
Every time I get a little I need more more more
Why don't you come ooooooooverrr (come on over to my house)
Come over baby
Come come over baby baby
I want you to come ooooooooover (come on over to my house)
Come over baby

Come come over baby baby
We can more than friends
I know you want me
You want me want me ya ya ya ya
I never want this night to end
I know you love me
You love me love me ya

We can more than friends
I know you want me
You want me want me ya ya ya ya
I never want this night to end
I know you love me
You love me love me
Hey! (my house)
Come over baby
Come come over baby baby
I want you to come ooooooooover (come on over to my house)
Come over baby
Come come over baby baby
We can more than friends
I know you want me
You want me want me ya ya ya ya
I never want this night to end
I know you love me
You love me love me ya
We can more than friends
I know you want me
You want me want me ya ya ya ya
I never want this night to end
I know you love me
You love me love me
