

# More Than Friends

**Danny Fernandes**

We can more than friends  
I know you want me  
You want me want me ya ya ya ya  
I never want this night to end  
I know you love me  
You love me love me ya  
(repeat)  
Baby girl I know you want it all all all  
You want me to give it to you like this (ya)  
You say we're friends but this feels like we're more more more  
Why don't you come ooooooooooverrr (come on over to my house)  
Come over baby  
Come come over baby baby  
I want you to come oooooooooover (come on over to my house)  
Come over baby  
Come come over baby baby  
We can more than friends  
I know you want me  
You want me want me ya ya ya ya  
I never want this night to end  
I know you love me  
You love me love me ya
