

# Un-Thinkable

## City and Colour

Moment of honesty  
Someone's gotta take the lead tonight  
Whose it gonna be?  
I'm gonna sit right here  
And tell you all that comes to me  
If you have something to say  
You should say it right now. You give me a feeling that I've never felt before  
And I deserve it, I think I deserve it.  
It's becoming something that's impossible to ignore  
And I can't take it. I was wondering maybe  
could I make you my baby,  
if we do the unthinkable would it make us look crazy?  
If you ask me, I'm ready.  
If you ask me, I'm ready.  
I know you once said to me  
This is exactly how it should feel when it's meant to be,  
Time is only wasting  
so why wait for eventually?  
If we gon' do something bout it  
We should do it right now. You give me a feeling that I've never felt before  
And I deserve it, I know I deserve it.  
It's becoming something that's impossible to ignore  
It is what we make it. I was wondering maybe  
could I make you my baby,  
if we do the unthinkable would it make us look crazy?  
Or would it be so beautiful?  
Either way I'm sayin'  
If you ask me, I'm ready.  
If you ask me, I'm ready.  
Why give up before we try  
feel the lows before the highs  
Clip our wings before we fly away  
I can't say I came prepared  
I'm suspended in the air  
Won't you come be in the sky with me? I was wondering maybe  
could I make you my baby,  
if we do the unthinkable would it make us look crazy?  
Or would it be so beautiful?  
Either way I'm sayin'

If you ask me, I'm ready.

If you ask me, I'm ready.
