

# Harder Than Easy

Jack Savoretti

VERSE 1  
So you think that I'm harder than easy,  
And you find me as strange as the truth  
I'm as guilty of judging as you are,  
But the difference is I don't judge you  
You believed in your fairytale endings,  
Now you find yourself down on your knees,  
Like a rock that's been changed by the ocean,  
Or a shipwreck lost out at sea  
CHORUS  
Sing me a love song,  
I'm your man  
I will always love you  
The best I can  
VERSE 2  
In our story of riddles and poems  
Every word that you speak tastes like stone  
Like a melody sung by a jester  
Some are stolen, some are your own  
At the end of the day when you're lonely  
After begging to be left alone  
You can look at this world as your kingdom  
If you want you can make me your home  
CHORUS  
Sing me a love song,  
I'm your man  
I will always love you  
the best I can  
Hold me close don't let me go  
I will always love you the most  
(INSTRUMENTAL)  
CHORUS (sung only by Lucy Styles)  
Sing me a love song,  
your my man  
Will you always love me the best you can?
