

We Can Work It Out

Heather Nova

Try to see it my way
Do I have to keep on talking
Till I can't go on?
While you see it your way
Run the risk of knowing
That our love may soon be goneWe can work it out
We can work it outThink of what you're saying
You can get it wrong
And still you think that it's alright
Think of what I'm saying
We can work it out and get it straight
Or say good nightWe can work it out
We can work it outLife is very short and there's no time
For fussing and fighting, my friend
I have always thought that it's a crime
So I will ask you once againTry to see it my way
Only time will tell
If I am right or I am wrong
While you see it your way
There's a chance that we might
Fall apart before too longWe can work it out
We can work it outLife is very short and there's no time
For fussing and fighting, my friend
I have always thought that it's a crime
So I will ask you one more timeTry to see it my way
Only time will tell
If I am right or I am wrong
While you see it your way
There's a chance that we might
Fall apart before too longWe can work it out
We can work it out
