

# Mindless

## Sworn In

We're all mindless mother fuckers

Shit...

I'm stuck in my head

Dead again

I've lost what's real and what's pretend

I've lost everything, lost it all

I left my sanity behind

Inside the holes in my dry wall

I've lost everything

I lost it all

I've lost my head, I've lost my mind

It's nothing that i want you to find

With each passing day I continue to rot

Trying my best to retain my own thoughts

I've built my cage and I'm trapped inside it

Screaming and crying only makes it worse

I can't associate and I won't even try

Don't give a fuck if I'm left here to die

Drag me away but there's no soul to sell

While you've been calling me I've been in hell

I've lost my head, I've lost my mind

It's nothing that i want you to find

With each passing day I continue to rot

Trying my best to retain my own thoughts

All of the thoughts in my head sing to the tune of your death

Hanging from a fucking rope

The noose is tied tight

This is how it ends, right?

One more step and down to hell I go

One more fucking step and down to hell I go

Down to hell I go

What?

I like to think I'm insane and that's not the worst part

Cause if I've lost my fucking mind I'll surely lose my heart.

Fuck.

I'd be lying if I said I want to be this way but it's a world full of liars

I'm just playing the game
