Yeah habibi habibi
Tonight are you gonna ride with me
while looking at the clock you ask
what time is it
You donâ€™t need to care
itâ€™s too late already
to nitpick about the time
Iâ€™ve missed my bedtime
so now Iâ€™m falling asleep
and itâ€™s very dark here
more than holding my phone
I want to hold your body, hurry
Woo when I found ya lips fuckin wet
And I start to kiss Iâ€™m like French

Iâ€™m like damn
when Iâ€™m in your thighâ€™s valley it goes well
if I get hard you said you loosen up
Yeah habibi habibi, quick
Iâ€™m champagne baby pop it
Yeah habibi habibi, quick
Baby ride me baby ride me

Yeah yeah habibi habibi
Tonight are u gonna ride with me
Yeah habibi habibi
Tonight are u gonna ride with me

Youâ€™ve ben very busy these days, right?
I, too, when I sleep and wake up
more at work than at home
I always wake up thinking about you
weâ€™re stuck together like a tattoo every morning
since last night underwear is unnecessary
Iâ€™m poking your chest, keep pokin
I make way through your thin t-shirt and
I think itâ€™ll come out
And baby you know me
Need no sleep
We gon do this till 9 in the morning
your waist and your butt yeah yeah yeah yeah

Performing
Yeah habibi habibi, quick
Iâ€™m champagne baby pop it
Yeah habibi habibi, really
You nasty donâ€™t swallow my kids

Yeah yeah habibi habibi
Tonight are u gonna ride with me
Yeah habibi habibi
Tonight are u gonna ride with me
Yeah Habibi habibi
Woo
Tonight are u gonna ride with me
