

Copy, Paste

Diggy Simmons

Aw, It's Diggy
Queens,
You with me?
Yeah,
Let's get it,
Let's get it
G-g-g-g go
Aw, check my million-dollar swag
I tell 'em ten 4 cause they wanna copy that
Aw, in the mall lotta shoppin bags
Baby girl what you want,
Your boy got the tab
If your man say where you at
I'ma tell him "I ain't seen her"
Better hit her on the jack
She's gone for the evening
I make them lean back,
Don Cartegena
Yeah, You know what's up
Martin, Tom, and Gina
I'm the lead off like Derek Jeter
They copy my domineer
They be rocking
I know they watching
I act like I don't see em but
Y'all never stop
Keep me on my job
And they be trynna copy and paste me
Copy and paste me
I'm on
And I be in my zone
And they be trynna copy and paste me
Copy and paste me,
I'm gone
Aw, Peep my shoe game
Look here, I'm rocking 'em (rock)
Moccasins or go Jeremy Scott on 'em (rock)

Loubotin, look like they got spots on 'em

My ratings is up cause everybody watchin'
And I be V.I.P.
you online where the rope is
Don't come any closer,
You might step on my Cultures
Ladies it's your jam leave your jacket on the sofa
Have a little class, put your glass up on a coaster
Get up on the floor, shake it shake it, like ya supposed to
If you know getting over tell them copy, copy, over
Y'all never stop
Keep me on my job
And they be trynna copy and paste me
Copy and paste me
I'm on
And I be in my zone
And they be trynna copy and paste me
Copy and paste me,
I'm gone
Copy paste
Copy copy, paste
Everything that I do they try do the same thing (same thing)
Copy paste
Copy copy, paste
Try do it how I do it, they can't do it like me (like me)
