

The Same Way (Acoustic Version)

Gary Moore

Don't want no evil woman
Make a fool out of me
My girl she's so sweet
She's my honey bee She feels the same way about me
She feels the same way about me
She feels the same way Wake up in the morning
Get my breakfast in my bed
My girl she's so good
Love her till I'm dead She feels the same way about me
She feels the same way about me
She feels the same way Don't want no other woman
I could never be satisfied
My girl looks so good
Standing by my side She feels the same way about me
She feels the same way about me
She feels the same way
