They've Got a Bomb

Crass

Won't destroy the world,
No, they're not that crazy
Not dealing with the town hall
Not that crazy
No political solution so why should we bother?
Whose fucking head do you think they're holding it over?
FOUR. THREE. TWO. ONE. FIRE.
Chorus: They can't wait to use it
They can't wait to use it
They can't wait to try it out
They can't wait to use it
They've got a bomb, they've got a bomb
And they can't wait to use it on me
Twenty odd years now waiting for the flash (x2)
All of the oddballs thinking we'll be ash
Four minute warning has run on into years
Are we waiting for them to confirm our fears?
FOUR. THREE. TWO. ONE. FIRE.
Chorus
They can build them small
Call it tactical
Stop the fallout, make it practical
Smash the misfits who foul up their scene
Practical, tactical, killing machine
FOUR. THREE. TWO. ONE. FIRE.
Chorus
