

On My Way

Elyon's Fire

Take it from me
Iâ€™m the worst one of them all
My mirror tells me tells me that sheâ€™s
Fairest on my wall

But whispering love
Sends a message in my ear
Iâ€™m afraid to trust and Iâ€™m afraid of what would
Come for facing fear

And I wanna be free
But these walls surround me
And I canâ€™t climb out
Iâ€™m a slave to myself
And I need to let go
But I cannot on my own
And canâ€™t go back
But Iâ€™m on my way back

Take it from me
Thereâ€™s no way that I know
Iâ€™m dead beside her, dead without her
Dead all together so

And Iâ€™m lacing my fingers
And if Iâ€™ll take my burden away
But still it lingers and still the pictures
Burn inside my brain

And I wanna be free
But these walls surround me
And I canâ€™t climb out
Iâ€™m a slave to myself
And I need to let go
But I cannot on my own
And canâ€™t go back
But Iâ€™m on my way back home
â€˜Cause this is all that I know

God I donâ€™t know

I keep running circles round
The green light go the red light no
Breaks worn the whole way down

But whispering love
Sends a message I donâ€™t feel
Iâ€™m afraid to trust and Iâ€™m afraid of what would
Come for facing fear

[x2]

And I wanna be free (wanna be free)
But these walls surround me (walls surround me)
And I canâ€™t climb out (canâ€™t climb out)
Iâ€™m a slave to myself (slave to myself)
And I need to let go (I need to let go)
But I cannot on my own (cannot on my own)
And canâ€™t go back (canâ€™t go back)
But Iâ€™m on my way back (on my way back)
