Just taste the funk and hit me
Just get on down and hit me
Bambaataa's jus' gettin' so funky, now, hit me

Up out your seats, make your body sway
Socialize, get down, let your soul lead the way
Shake it now, go ladies, it's a livin' dream
Love Life Live
Come play the game, our world is free
Do what you want but scream We know a place where the nights are hot
It is a house of funk
Females and males
Both headed all for the disco The D.J. plays your favorite blasts
Takes you back to the past, music's magic (poof)
Bump bump bump get bump with some flash, people Rock rock to the Planet Rock, don't stop
Rock rock to the Planet Rock, don't stop The Soul Sonic Force - Mr. Biggs, Pow Wow, and M.C. Globe
We emphasize the show, we got ego
Make this your night, just slip it right, and by day
As the people say, live it up, shucks
No work or play, our world is free
Be what you be - be Rock rock to the Planet Rock, don't stop
Rock rock to the Planet Rock, don't stop You're in a place where the nights are hot
Where nature's children dance and set a chance
