Monument

Efterklang

We turn the bed - a couple
They go to bed alone
A moving quest awaiting
We go to bed aloneCynical cries for make-up love
Fighting best in the know
Hes in the bed below me
A man possessed with guiltOooh Im over it
Aaah upset
Oooh Im over it
Aaah upsetTurn away, turn away, turn away love
Theyre covering all of the grave
Move away, move away, move away love
Theres something about a prayerTurn away, turn away, turn away ha turn away
Theyre covering all of the grave
Move away, move away, move away ha move away
Theres something about a prayerTurn away, turn away, turn away ha
(Im over it)
Theyre covering all of the grave
Move away, move away, move away ha
(Aaaah upset)
There something about a prayerOooooooooh
(Im over it)
Aaaaaaaaah
(upset)
