Bring On The Night

The Police

The afternoon has gently passed me by
The evenin' spreads its sail against the sky
Waiting for tomorrow just another day
God bid yesterday, goodbyeBring on the night
I couldn't stand another hour of daylight
Bring on the night
I couldn't stand another hour of daylightThe future is but a question mark
Hangs above my head there in the dark
Can't see for the brightness staring me blind
God bid this yesterday, goodbyeBring on the night
I couldn't stand another hour of daylight
Bring on the night
I couldn't stand another hour of daylightBring on the night
I couldn't stand another hour of daylight
Bring on the night
I couldn't stand another hour of daylightI couldn't stand another hour of daylight
I couldn't stand another hour of daylight
I couldn't stand another hour of daylight
