

# Give Away

## Joshua Mike-Bamiloye

### Verse

Weâ€™ve been searching for some answers,  
Looking for the truth, looking for you  
In our moment of despair,  
We have run out of options, What is left to do?  
If its not too much to ask, we are tired of the rain  
We want to see some light again  
Place our feet upon the rock  
We donâ€™t want to go astray  
And end up in the miry clay

### Chorus

So tell me Lord, out of the things I have  
Tell me what I should give away  
If itâ€™s the price I have to pay  
So speak your word, nothingâ€™s impossible  
I wanna see my victory,  
So change my story, Iâ€™ll give you the glory

### Verse2

All our aches and our troubles  
Our shame and our struggles  
We lay it down before you  
A redemption weâ€™ll receive  
When you say youâ€™ll never leave  
You help us make it though

### Bridge.

Oh whatâ€™s that you have in your hand?  
I can use it, if youâ€™re willing to lose it  
(says Jehovah father)  
Jus take the little you have,  
And Iâ€™ll make it great, Ill make it wonderful  
(says the heavenly father)[twice]

### Chorus:

So tell me Lord, out of the things I have  
Tell me what I should give away  
If itâ€™s the price I have to pay  
So speak your word, nothingâ€™s impossible

I wanna see my victory,  
So change my story, Iâ€™ll give you the glory

So tell me Lord, out of the things I have  
Tell me what I should give away  
If itâ€™s the price I have to pay  
So speak your word, nothingâ€™s impossible  
I wanna see my victory,  
So change my story, Iâ€™ll give you the glory  
Haaahahaha
