

All Neon Like

[Björk](#)

Not 'til you halo all over me, I'll come over
Not 'til it shimmers 'round your skull, I'll be yours
I weave for you some marvelous web
Glow in the dark threads, all neon like
The cocoon surrounds you, embraces all
So you can sleep, fetus style
And they will assist us
'Cause we're asking for help
And the luminous beam, it feeds you
Henh-yeah, henh-yeah
The soft distortion, fills you up
Nourish, nourish your turtle heart
And they will assist us
'Cause we're asking for help
And the luminous beam, it feeds you
Henh-yeah, yeah
Don't get angry with yourself
Don't, don't get angry with yourself
I'll heal you
With a razorblade, I'll cut a slit open
And the luminous beam
Feeds you honey, heals you
Don't get angry with yourself
Don't get angry with yourself
Don't get angry with yourself
Don't get angry with yourself
I'll heal you, I'll heal you
Luminous, I'll heal you
