

When She Loved Me

Jordan Pruitt

When somebody loved me
Everything was beautiful
Every hour we spent together
Lives within my heart And when she was sad
I was there to dry her tears
And when she was happy so was I
When she loved me Through the summer and the fall
We had each other that was all
Just she and I together
Like it was meant to be And when she was lonely
I was there to comfort her
And I knew that she loved me So the years went by
I stayed the same
She began to drift away
I was left alone Still I waited for the day
When she'd say
I will always love you Lonely and forgotten
Never thought she'd look my way
She smiled at me and held me Just like she used to do
Like she loved me
When she loved me When somebody loved me
Everything was beautiful
Every hour we spent together
Lives within my heart When she loved me, hey
