

# You'll Never Stop Me Loving You

## Sonia

Even when you're home  
You won't pick up your phone  
And take my call  
When I see you on the street  
You stare down at your feet  
You won't talk at allIf only you would see me  
One more time and maybe  
Some day you will find  
That you could really love me  
You could really need me  
Maybe you could change your mind[Chorus:]  
But you'll never stop me from loving you  
It doesn't really matter what you put me through  
You'll never stop me from loving youWhen I know that you're alone  
I wander to your home  
And catch a glimpse or two  
It seems that all the time  
The thought is on my mind  
Of being with youThe times I've tried to see you  
You know I would meet you  
Any time, night or day  
But still you just refuse  
And no matter what you do  
I'll never let you get away[Chorus:]Oh, woh, you'll never stop me from loving you  
Wherever you can go, I will follow you  
You'll never stop me from loving youOh, woh, oh, woh  
Never stop  
Never stop me  
Oh, woh, oh, woh  
Never stop  
Never stop meIf only you would see me  
One more time and maybe  
Some day you will find  
That you could change your mind[Chorus:]Oh, woh, you'll never stop me from loving you  
Wherever you can go, I will follow you  
You'll never stop me from loving you
