

# Precious

Chris Michols

I was lost until you came  
Tell you what was needed soon  
Precious little angel  
Take a look, what you've done  
But, I was lost until you came  
Precious little angel  
Take a look at what you've done  
Well, I thought my time was over  
But it's only just begun  
Precious little angel  
You're my own sweet turtle dove  
Won't you stay with us for ever  
In a bundle full of love  
Well, I was lost until you came  
Precious little angel  
Won't you spread your light on me?  
I was locked up in the darkness  
Now you've come to set me free  
I was covered up with sadness  
I was drowned in my own tears  
I've been cynical and twisted

I've been bitter all these years  
Well, I was lost until you came  
Well, I was lost until you came  
And wouldn't I run a thousand miles  
To be with you, to be with you  
And wouldn't I run a thousand miles  
To be with you, to be with you  
Well, I was lost until you came  
Precious little angel  
Tell me how can it be true  
That such a gift from Heaven  
Has been sent for me and you  
Precious little angel  
Don't you worry, don't you cry  
When this bad old world has crumbled  
I'll be standing at your side  
Well, I was lost until you came

Well, I was lost until you came  
Well, I was lost until you came
