Singer Not the Song

ABC

Somewhere in the chorus
Somewhere in the verse
You're boxing for the glory
Fighting for the purseSomewhere in the chorus
Somewhere in the verse
Things get better before they get worse
I'm not the bass player or the drummer in the band
I don't do much by the microphone stand
Hanging round the back stage, sharpie in my hand
It's all I ever do, it's hard to understand
Singer in the spotlight
Dancer in the moonlight
Someone to love somewhere tonight
I'm the singer, not the song, yeah
The singer, not the song
Your heartfelt entertainer
I'm the singer, not the song, yeah
Singer, not the song
I'm here to serenade yaI'm the singer, not the song
The singer, not the song
A modest troubadourI'm the singer, not the song
The singer, not the song
I sing and nothing more
I'm the player, not the game
The player, not the game
I watch them come from near and far
She don't remember my name
Remember my name
No one gives a damn who you think you are
Somewhere in the chorus
Somewhere in the verse
Some days the band refuse to rehearseSomewhere in the chorus
Somewhere in the verse
Everyday's a blessing, never a curseSinger in the spotlight
Dancer in the moonlight
Someone to love somewhere tonight
I'm the singer, not the song, yeah
The singer, not the song
Your heartfelt entertainerI'm the singer, not the song, yeah

Singer, not the song
I'm here to serenade yaI'm the singer, not the song
The singer, not the song
A modest troubadourI'm the singer, not the song
The singer, not the song
I sing and nothing more
Singer in the spotlight
Dancer in the moonlight
Someone to love somewhere tonightI'm the singer, not the song, yeah
The singer, not the song
Your heartfelt entertainerI'm the singer, not the song, yeah
Singer, not the song
I'm here to serenade yaI'm the singer, not the song
The singer, not the song
A modest troubadourI'm the singer, not the song
The singer, not the song
I sing and nothing more
