

Dance My Pain Away

Rod Lee

Dance my pain away,
I've got problems.
Dance my pain away,
I've got problems.Like, whoa oh whoa, whoa oh whoa, whoa oh whoa, whoa oh whoaNow listen to my story,
bill collectors on me
Had to file bankruptcy , need some help from somebody
Doctors bills is staking up, I'm desperate to make a buck
I played the lottery today, won't you please listen up.I'm gonna dance my pain away,
I've got problems.
Dance my pain away,
I've got problems.Like, whoa oh whoa (yeah), whoa oh whoa (yeah), whoa oh whoa (yeah, whoa oh whoa
(yeah)I'm gonna dance my pain away,
I've got problems.
Dance my pain away,
I've got problems.Like, whoa oh whoa (yeah), whoa oh whoa (yeah), whoa oh whoa (yeah, whoa oh whoa
(yeah)I just got laid off today, what you think wifey gonna say.
I'll just have to hope and pray, rain, rain go away.
The repo man just hit me, can't get from A to Z
Fake friends around, Lord wont you help me.Now I'm on my tippy toes, face down, eyes closed.
Dancing to this melody, so please wont you sing the song.I'm gonna dance my pain away,
I've got problems.
Dance my pain away,
I've got problems.Like, whoa oh whoa (yeah), whoa oh whoa (yeah), whoa oh whoa (yeah, whoa oh whoa
(yeah)I'm gonna dance my pain away,
I've got problems.
Dance my pain away,
I've got problems.Like, whoa oh whoa (yeah), whoa oh whoa (yeah), whoa oh whoa (yeah, whoa oh whoa
(yeah)I'm gonna dance my pain away,
I've got problems.
Dance my pain away,
I've got problems.Like, whoa oh whoa (yeah), whoa oh whoa (yeah), whoa oh whoa (yeah, whoa oh whoa
(yeah)I'm gonna dance my pain away,
I've got problems.
Dance my pain away,
I've got problems.Like, whoa oh whoa (yeah), whoa oh whoa (yeah), whoa oh whoa (yeah, whoa oh whoa
(yeah)(Take your problems all on the dance floor, dance your problems away)I'm gonna dance my pain away,
I've got problems.
Dance my pain away,
I've got problems.Like, whoa oh whoa (yeah), whoa oh whoa (yeah), whoa oh whoa (yeah, whoa oh whoa

(yeah)
