Bad Moon Rising

Rasputina

I see a bad moon rising
I see trouble on the way
I see earthquakes and lightnin'
I see bad times todaySo don't come 'round tonight
It's bound to take your life
There's a bad moon on the riseI hear hurricanes a-blowin'
I fear the end is comin' soon
I fear river's over flowing
I hear the voice of rage and ruinSo don't come 'round tonight
It's bound to take your life
There's a bad moon on the riseHope you have got your things together
Hope you are quite prepared to die
Looks like we're in for nasty weather
One eye is taken for an eye
