

# Don't Think Twice, It's All Right

[Bryan Ferry](#)

Well it aint no use to sit and wonder why, babe  
If you dont know by now  
An it aint no use to sit and wonder why, babe  
Itll never do somehow  
When your rooster crows at the break o dawn  
Look out your window and Ill be gone  
Youre the reason Im travlin on  
But dont think twice, its all right  
And it aint no use in turnin on your light, babe  
That light I never knowed  
An it aint no use in turnin on your light, babe  
Im on the dark side of the road  
But I wish there was somethin you would do or say  
To try and make me change my mind and stay  
We never did too much talkin anyway  
ont think twice, its all right  
So it aint no use in callin out my name, gal  
Like you never done before  
And it aint no use in callin out my name, gal  
I cant hear you any more  
Im a-thinkin and a-wondrin walkin down the road  
I once loved a woman, a child I am told  
I give her my heart but she wanted my soul  
Dont think twice, its all right  
So long honey babe  
Where Im bound, I cant tell  
Goodbyes too good a word, babe  
So Ill just say fare thee well  
I aint sayin you treated me unkind  
You could have done better but I dont mind  
You just kinda wasted my precious time  
Dont think twice, its all right
