

I Can't

Stars In Stereo

When the waiting is the hardest part, I can't
When you ask if i won't break your heart, I can't
I can't be the reason to die for
I can't be the reason to die for
Spit it up so I dont knock it down
Hold your tongue so I don't rip it out
Spit it up so I don't knock it down
You don't know who I amI can't be the reason to die for
I can't be the reason to die for
I can't
I can't
I can't
I can't

When the waiting is the hardest part, I can't
When you ask if i won't break your heart, I can't
I can't be the reason to die for
I can't be the reason to die for
I can't
I can't

I can'tYou don't know who I am
