Oh, playboy
Uh ha, yeah
Uh ha
Oh my name is Bow Wow check me out now
Uh, ohh, you then crossed the line
Beware of the dog is right there on the sign
You gotta muscle now, get 'em up and up
Put 'em up don't drop 'em
To the ceiling let, me see you get crunk bounce
Ugh, it will never be another one
Wit his style he' pound oh Bow Wow
From the eighteenth letter
And this Playboy representin' it forever
Can't no body do it better?
Never, when ever, where ever, who ever
However who ever touch you'll never breath again ever
So whatever, I'm a pass the mic down to the B O W W O W you
You in trouble
Uh, ain't nothing like a young cat wit his mind right
And a lime like chasing a dream
At the same time making some cream
Nickname 'Scary', 'coz I know how to make 'em scream
Every time I'm seen, I'm full of flash
Every time I'm out pockets full of cash
And about my crew ain't no need to ask
We steady, steady keep puttin' down a smash
I was a thing thing before I be 17
I know that market folds instead of cones of ice cream
And that's why I don't care who you are
When it come to the beat you gotta raise the bar because
This playboy, he gets crunk
Keep that bang off in the truck
With a nick-nac-paddy-whack, throw me a bone
An' this playboy gon' bring it ya heard me
This playboy, he gets crunk
Keep that bang off in the truck
With a nick-nac-paddy-whack, throw me a bone
An' this playboy gon' bring it ya heard me
Ugh ha, yes sir

Now think 'bout the lock down these holds southeast
Pull cards like teeth lang names like a reef
I wish one of you bustas would spark some beef
I swear to God it's goin' be hard for your mom to sleep
See when I fall up in the club haters still show me love
With dap, cheese and hugs that's the life of a thug
I walk it like I talk it, told it 'coz I spark it
Straight take you suckers boy ice and go and holk it
I'm on the patio blowin' cleanin' my gun
While Bow Wow in the front shootin' hoops, with my son
Big Duke be representin' for the hole East side
J.D. made me lieutenant now watch how we ride
This playboy, he gets crunk
Keep that bang off in the truck
With a nick-nac-paddy-whack, throw me a bone
An' this playboy gon' bring it ya heard me
This playboy, he gets crunk
Keep that bang off in the truck
With a nick-nac-paddy-whack, throw me a bone
An' this playboy gon' bring it ya heard me
I'm tryin to have y' all wait to see what I sell
And a block full screamin' up at TRL
Another thing I want y' all niggas to know
I ain't one of them lil' cats that's goin' come and go
I got somethin' to show and ah somethin' to say
And knockin' down anything in my way
I don't want half a plate, I want the whole thing
I'm tryin' to escort Aaliyah or somebody on soul train
If you so free, I'm tryin' to do five
And be the first kid, on the cover of vibe
So if you at number one you better save a that
'Coz once I get it, it ain't never comin' back for sure
This playboy, he gets crunk
Keep that bang off in the truck
With a nick-nac-paddy-whack, throw me a bone
An' this playboy gon' bring it ya heard me
This playboy, he gets crunk
Keep that bang off in the truck
With a nick-nac-paddy-whack, throw me a bone
An' this playboy gon' bring it ya heard me
This playboy, he gets crunk
Keep that bang off in the truck
With a nick-nac-paddy-whack, throw me a bone
An' this playboy gon' bring it ya heard me
Uh, uh uh get it
