

On The Edge

Bobby Valentino

I'm looking out the window, thinking about
When we shared everyday together, those times were good
Now I'm a lonely traveler in and out of each town
All I got is memories and a photograph of you, I miss you I'm on the edge and I'm breaking down
'Cause I'm hurting you and I don't wanna let you go
Hurting you is really hurting me
But honestly, girl I don't wanna let you go So I heard that you were seeing somebody else
And I broke down to my knees 'cause my angel is gone
But I know you were meant for me so I'll just sit and wait but for now
I gotta travel this empty road all alone, I still love you I'm on the edge and I'm breaking down
'Cause I'm hurting you and I don't wanna let you go
Hurting you is really hurting me
But honestly, girl I don't wanna let you go I'm on the edge and I'm breaking down
'Cause I'm hurting you and I don't wanna let you go
Hurting you is really hurting me
But honestly, girl I don't wanna let you go I'm broken in two and I don't know what to do
Contemplating on my next move
Should I leave you alone or should I come home?
My life ain't complete without you, baby, baby, baby
Lady, lady, lady I'm on the edge and I'm breaking down
'Cause I'm hurting you and I don't wanna let you go
Hurting you is really hurting me
But honestly, girl I don't wanna let you go I'm on the edge and I'm breaking down
'Cause I'm hurting you and I don't wanna let you go
Hurting you is really hurting me
But honestly, girl I don't wanna let you go
Should I leave or should I go? Maybe one day we'll be together, back together
