

Bright Red Scream

My Ruin

You say I'm angry, I guess I should be
Because it makes me happy
My mind is creepy, I guess it could be
Depends on what you ask me (You are my)
Bright red scream
Girl, wet dream
(You are my)
Bright red scream
When I sleep I dream of you You say I'm scary, I guess I could be
'Cause when I speak, you fear me
My mouth is dirty, I guess it would be
Pretend you just don't hear me (You are my)
Bright red scream
Girl, wet dream
(You are my)
Bright red scream
Nothing is what it will seem
And I'm your scary teddy bear Love me, hate me
I let you drive me crazy
Crucify me or do you wanna save me
Yes, no, maybe It doesn't matter baby
You're not so clean
That I can't make you wanna scream
Scream, scream, scream with me Bright red scream
Girl, wet dream
(You are my)
Bright red scream
Scream with me
Scream for me I'm not mean, I'm just not nice
And there's a difference
Thank you for remaining
At a safe distance
