

Death Or Glory?

Roy Harper

Death or glory?
Baby you and me
No warning, no mercy
Off with his head
She said, said she Death or glory?
All the bliss, all the memory
You threw us out the window
Not even one last kiss
One last kiss Stick on the ice
Fast forward, out of town
Drunk me dry, threw me away
Strength is down Like one that on a lonesome road
Doth walk in fear and dread
Having once turned 'round walks on
And turns no more his head
For he knows that close behind
A fearful fiend doth tread Death or glory?
Baby, you and me
Let's get into battle
Win us both a V.C. There's nothing left here, we can lose
Everything to win
We lived in heaven hearts and minds
We can make it back again
Our strength, strength will be then Death or glory?
Baby, down to you
Death or glory?
Baby, up to me Get stick on the ice
Fast forward out of town
Drunk me dry, threw me away
My strength was gone We lived in heaven
Hearts and minds
We can make it there again
Baby, yeah, yeah, yeah
Our strength will be then
