

Farewell and Goodnight

The Smashing Pumpkins

Goodnight, to every little hour that you sleep tight
May it hold you through the winter of a long night
And keep you from the loneliness of yourself
Heart strung is your heart frayed and empty
Cause it's hard luck,
When no one understands your love
It's unsung, and I say
Goodnight, my love, to every hour in every day
Goodnight, always, to all that's pure, that's in your heart
