Donde Estas

Via Rustica

There's a woman I love
You can say that she's missing
Though I know when I'll find her
When she's never alone.Though the stories behind her are not very pretty
I'll be wondering about her
Every place that I'll go.Donde estÃ¡?
Donde estÃ¡?
Mi amor.An the years I don't know
She's the same that she once was
Though my memory is clear
She's consumed by the thoughts.And the aching that bites her
Because of her lost love
Gives me reasons to find her
I would never look off.Donde estÃ¡?
Donde estÃ¡?
Mi amor.Donde estÃ¡?
Donde estÃ¡?
Mi amor.Donde estÃ¡?
Donde estÃ¡?
Mi amor.Donde estÃ¡?
Donde estÃ¡?
Mi amor.There's a woman I know
You can say that she's missing
Though I know when I'll find her
When she's never alone.Though the stories behind her are not very pretty
Until the day that I'll find her
I guess I'll be on my own.Donde estÃ¡?
Donde estÃ¡?
Mi amor.Donde estÃ¡?
Donde estÃ¡?
Mi amor.Donde estÃ¡? (En cada lugar que voy)
Donde estÃ¡? (Pregunto por ella)
Mi amor.Donde estÃ¡? (Me da el motivo)
Donde estÃ¡? (Para encontrarla)
Mi amor. (A cualquier precio)Donde estÃ¡? (Y el dÃ-a que la encuentre)
Donde estÃ¡? (SerÃ© libre)
Mi amor.Donde estÃ¡? (Y el dÃ-a que la encuentre)
Donde estÃ¡? (SerÃ© libre)
Mi amor.Donde estÃ¡? (Though the stories behind her)

Donde estÃ¡? (are not very pretty)
Mi amor.Donde estÃ¡? (Until the day that I'll find her)
Donde estÃ¡? (I'll guess I'll be on my own)
Mi amor.
