

You Were No Good

Elayna Boynton

You Were No Good

- Elayna Boynton

It was easy to love you
So hard to watch it all end
How I want to see you again
For you know, I am a woman
Undone too many times
And I'm afraid it's coming again

No matter where I'll go
You'll go with me
I needed to let you go
But I still feel this way

You were no good
But it was so good
Oh the way we used to be
Why do I keep buying this lie
That you were the one for me

They say time
Time has a way of making things seem right
But I know there's a reason why
You and I we'll never work out
No matter how much I
Want you here with me tonight

No matter where I'll go
You'll go with me
I needed to let you go
But I still feel this way

You were no good
But it was so good
Oh the way we used to be
Why do I keep buying this lie
That you were the one for me

You were no good

But it was so good
Oh the way we used to be
Why do I keep buying this lie
That you were the one for me
