

The Dreams You Dread

Benediction

Gross abominations
Dreams that haunt your sleep
Dying to awaken
Unheard cries, you weep Inner vision drowning
Shredding terrors nears
Clogging lungs, you're choking on
Hallucinogenic fears Incubus, disturbing nightmares
Locked inside your head
Assassinating rational thought
The dreams you dread Oppose the phobic landscape
Or you'll suffer anxiety
Self witch hunting petrifies
Aghast reality Incubus, disturbing nightmares
Locked inside your head
Assassinating rational thought
The dreams you dread Your own aggression
Generates the dreams you dread Incubus, disturbing nightmares
Locked inside your head
Assassinating rational thought
The dreams you dread
