Don't Tell Him That I'm Still Crying

Connie Smith

Don't tell him that I'm still crying
Don't let him know that losin' him was more than I could stand
I'm glad you hear that both of them are happy
I hope he's finally found what he never found with me
Tell him that you saw me and be sure to say hello
But promise me one thing before you go
Don't tell him that I'm still crying
Don't let him know that there's no way my broken heart can mend
Don't tell him that I'm still crying
Don't let him know that losin' him was more than I could stand
Don't tell him that I'm still crying...
