Walk Away From Love

Bitty McLean

It's not that I don't love you, you know how much I do
And it's not that found somebody to take the place of you
But it's just a fear within me when you touch my hand
And a fear that shakes my body and I don't understandSo I'm leaving
This time I played it smart
I'm gonna walk away from love
Before love breaks my heartYou're clinging to me tighter (tighter), then you have before
But you know it's gonna take everything to stop me walking out that door
See your arms that you've got around me
Will let me go someday
So I'd rather leave them holding on than pushing me awaySo I'm leaving
This time I played it smart
I'm gonna walk away from love
Before love breaks my heartI'm gonna walk away from love
I'm gonna walk away from love
