I Don't Want To

Avery Pkwy

I wasting time,
I can't give up,
I'm holding tight.

I rather leave your side,
Then we fight,
Then I saw you cry,
I deserve to be alone,
Deserve to be alone.

I don't want to leave you,
But I don't want to make this worse,
I'm use to keep you waiting.
I didn't mean to hurt you.

I running dry,
I'2m nothing left,
To contribute
What do I have to do,
To please you, Is it true,
I deserve to be alone,
Deserve to be alone.

Something has to happen,
Or else I would have to leave,
Please don't let this happen.

I don't want to leave you, (right now)
I don't want to make this worse. (do it)
I'm use to keep you waiting. (keep you)
I didn't mean to hurt you.

Please don't let me go,
Don't you want things to change,
Lets not let this ever happen again.

Forgive me, this is my key,
I'll listen to you gladly,
Can't we just forget about it and move on.

Oh what I can do,,
If I just got through, through the rest of the day.
We put ourselves through, and through, and through!
Oh!

I don't want to leave you,
But I don't want to make this worse,
I'm use to keep you waiting,
I didn't mean to hurt you.

I don't want to leave you,
I don't want to make this worse,
I'm use to keep you waiting,
I didn't mean to hurt you.

I don't want to leave you,
I don't want to make this worse,
I didn't meant to hurt you.

I Don't want to leave you,
But I don't want to make this worse.
