

Kill Devil Falls

Phish

Just got back from Kill Devil Falls
Traipsed my water logged clothes in the hall
Reached for a beer, glad that I?m here
When I realized that you are not around

Turned on some music and then the TV
Go through the pile of mail waiting for me
Something I spied makes me pull it aside
A letter from your home town

How could you leave me, you heard what I said
I?d be at the waterfall clearing my head
Soaking up nature and thinking of you
And leavings the last thing I thought you would do
I did not plan to stop at the bar
But Kill Devil Falls is really so far
Who knew a day would turn into a week
But I learned my lesson
And I can still remember the last one
But this time will be different
Until I do it again

Stared at the ceiling for over a day
But none of my questions are answered this way
Won?t make any calls I?ll just bounce off the walls
Till I go back to Kill Devil Falls

How could you leave me, you heard what I said
I?d be at the waterfall clearing my head
Soaking up nature and thinking of you
And leavings the last thing I thought you would do
I did not plan to stop at the bar
But Kill Devil Falls is really so far
Who knew a day would turn into a week
But I learned my lesson
And Yes I still remember the last one
But this time will be different
This time will be different

I stand at the base of the mountain

Don?t follow me!
I step right up to the cliff side
Better learn how to leap!
And I stared straight into the future
Tell me what do you see?
That this time is gonna be different

Whoa Whoa Whoa Whoa
Don?t go back to Kill Devil Falls
Whoa Whoa Whoa Whoa
Don?t go back to Kill Devil Falls
Whoa Whoa Whoa Whoa
Don?t go back to Kill Devil Falls
I learned my lesson
I can still remember the last one
But this time will be different

Don?t go back to Kill Devil Falls
Don?t go back to Kill Devil Falls
Don?t go back to Kill Devil Falls
Don?t go back to Kill Devil Falls
