

All Over The World

Matt Redman

Even as the world began the stars they sang
And all the angels shouted for joy, shouted for joy
And looking back through history
Your people they have always had
A song they must sing, a song they must sing

We are the people of God
We'll sing Your song
Here on the earth

All over the world Your song will resound
All over the world Your praises ring out
We're living to see Your name and renown
All over the world

Young and old, near and far
There's a place for every heart
To join in Your song, join in Your song
Every nation, tribe and tongue

Come together, join as one
Give glory to God, glory to God
We are the people of God
We'll sing Your song here on the earth

Great is Your name and great will be Your song
Great is Your name and great will be Your song
We lift up our hands and pray
Lift up our hands and pray
For holy is Your name
