I Should Never Have Let You Know

Matthew Sweet

I should never have let you know
That I could be what I was not
I should never have let you know
That I was weaker than you thoughtCan you show me
'Cause I did it for you once and now you owe me
'Cause you say that you possess me and then you loan me
Out to anyone who passes byI should never have let you know
That I could see beyond the dawn
I should never have let you know
The night is short the day is longCan you show me
'Cause I did it for you once and now you owe me
'Cause you say that you possess me and then you loan me
Out to anyone that passes byNever have let you know
Never have let you know
Never have let you know
I should never have let you know
Never have let you know
Never have let you knowCan you show me
'Cause I did it for you once and now you owe me
'Cause you say that you possess me and then you loan me
Out to anyone that passes byNever have let you know
Never have let you know
