

# Doing Time

## Cactus

I remember times I had  
Some were happy, some were sad  
Memories me and my partners in crime  
Throwin' up a thousand times  
I got through it, I feel fine  
I went to school and did my time  
In a sense I'm out, in a sense I'm free  
Today, what I wanna be  
Fun was cartoons Saturdays  
Fun was staying up past eight  
Lame was trying to fit in  
Lame was the wrong crowd let me it  
I got through it, I feel fine  
I went to school and did my time  
In a sense I'm out, in a sense I'm free  
Today, what I wanna be  
Yeah, just be together  
With who you are and who you know  
You gotta remember  
Where you've been, where you wanna go  
I never did homework after school  
Did all the things I thought were cool  
Went out every Friday night  
I still do and I'm alright
