

# (she's) Some Kind Of Wonderful

## Huey Lewis & The News

I don't need whole lots of money  
I don't need a big, fine car  
I got everything that a man could want  
I got more than I could ask for  
See, I don't have to run around  
I don't have to stay out all night  
'Cause I've got me a sweet, a sweet lovin' woman  
And she knows just how to treat me right  
My baby, she's all right  
My baby, clean out of sight  
Don't you know that  
She's some kind of wonderful, yes  
She is some kind of wonderful  
Now, look and tell me one thing  
When she holds me in her arms  
Sets my soul on fire  
Oh, when my baby kisses me  
It fills my heart with desire

And when she wraps her lovin' arms around me  
Almost drives me out of my mind  
I feel a funny little feeling inside of me  
Chills run up and down my spine  
My baby, she's all right  
My baby, clean out of sight  
Don't you know that  
She's some kind of wonderful, yes  
She's some kind of wonderful  
Now, is there anybody  
Got a sweet little woman like mine?  
Got to be somebody  
With a sweet, little woman like mine  
Can I get a witness? Yeah  
C'mon fellows  
Can I get a witness? Yeah, everybody c'mon  
Can I get a witness? Yeah
