Customer (feat. R. Kelly) [Remix] {Bonus Track}

Raheem DeVaughn

Good morning, good afternoon, good evening
Welcome to Love's, can I take your order?
And you can have it your wayWelcome, can I help you?
Take a minute to read the menu
If you're lookin' for a man, if you're lookin' for a friend
If you're lookin' for someone to talk toTake your time 'fore I fill your order
I can appetize ya or main course ya
Caution, caution
'Cuz the plate is hotAnd I'm the catch of the day
(Ay, ay, ay, ay, ay)
Your dessert, your meal and your drink
(Ay, ay, ay, ay, ay)You can find it all in me
I'll fill you up for free
If your heart is hungry
You can place your order here with meLet me serve you up, let me, let me serve you up
See, you can have it your way, you're the costumer
If you want me super-sized with some lovin' on the side
Just ask for what you want 'cuz you're the costumerLet me, let me serve you up, let me, let me serve you up
See, you can have it your way, you're the costumer
You can have me super-sized with some lovin' on the side
Just ask for what you want 'cuz you're the one, you're the costumerIf you got special needs
You're picky, you're hard to please
You're particular about what you like
Well, the costumer is always rightSatisfaction is guaranteed
Head to toe, girl, I'm quality
See, the menu's full of me
I got a real love policyAnd I'm the catch of the day
(Ay, ay, ay, ay, ay)
Your dessert, your meal and your drink
(Ay, ay, ay, ay, ay)You can find it all in me
I'll fill you up for free
If your heart is hungry
You can place your order here with meLet me serve you up, let me, let me serve you up
See, you can have it your way, you're the costumer
If you want me super-sized with some lovin' on the side
Just ask for what you want 'cuz you're the costumerLet me, let me serve you up, let me, let me serve you up
See, you can have it your way, you're the costumer
You can have me super-sized with some lovin' on the side
Just ask for what you want 'cuz you're the one, you're the costumerAnd I'm gonna whip it up

Whip it up nice and slow
You can even call your order in
I'll deliver to your homeAnd I'll be there in a matter of seconds
And there's more if you want seconds
You can be greedy as you like
Morning, noon and nightAnd I'm open 24/7
And 'cuz I like you, it's on me
Got a whole lot of sugar and honey
And a plate full of ecstasySo, make your reservations
And make your way to me
And if that don't work for you, baby
You can tell me where I need to beLet me serve you up, let me, let me serve you up
See, you can have it your way, you're the costumer
If you want me super-sized with some lovin' on the side
Just ask for what you want 'cuz you're the costumerLet me, let me serve you up, let me, let me serve you up
See, you can have it your way, you're the costumer
You can have me super-sized with some lovin' on the side
Just ask for what you want 'cuz you're the costumerLet me serve you up, let me, let me serve you up
See, you can have it your way, you're the costumer
If you want me super-sized with some lovin' on the side
Just ask for what you want 'cuz you're the costumerLet me, let me serve you up, let me, let me serve you up
See, you can have it your way, you're the costumer
You can have me super-sized with some lovin' on the side
Just ask for what you want 'cuz you're the one, you're the costumer
