

Turning Inward

Insecticide Lobotomy

Turning inwards as I lie
Fearing what else I'm doing
Pondering a world of hope
Watching the flying doves
But say farewell to faith
And tomorrow's dream of life
'Cause merely today is
The day that I will die
So don't forget me
If we don't make it
'Cause I'm so scared
Standing naked
Maybe one day I'll figure out
What is going on inside, my kind grows so angry
Sometimes feels good to cry
And can you feel the void between us
I guess I'm the one to blame for this
Maybe one day we'll meet again
Losing ourself in the seas of bliss
The seas of bliss
Don't forget me
If we don't make it
'Cause I'm so scared
Standing naked
And I can't feel the pain
Of this world and want to
Become as wide as
The shy and forest
Just one last caress
Of the Pacific
We can be one tonight
Through the pain and the fight
Just one last caress
Of the Pacific
We can be one tonight
Through the pain and the fight
Turning inward 'cause of you
Sometimes the ones we heal
An image of the rest

Two words unable to mesh
So let your flesh devour our dead skin
Leaving us fresh and free from old sin
Maybe we?ll have one last caress
Like it will be our last breath, so
 Don?t forget me
 If we don?t make it
 'Cause I?m so scared
 Standing naked
 Don?t forget me
 If we don?t make it
 'Cause I?m so scared
 Standing naked
 And I can feel the pain
 Of this world
And want to become as wide as
 The sky and forest
 Just one last caress
 Of the Pacific
 We can be one tonight
 Through the pain and the fight
 Just one last caress
 Of the Pacific
 We can be one tonight
 Through the pain and the fight
 Just one last caress
 Of the Pacific
 We can be one tonight
 Through the pain and this fright
