

# Let It Snow! Let It Snow! Let It Snow!

[George Strait](#)

Oh, the weather outside is frightful  
But the fire is so delightful  
And since we've no place to go  
Let it snow! Let it snow! Let it snow! It doesn't show signs of stoppin'  
And I've brought some corn for poppin'  
The lights are turned way down low  
Let it snow! Let it snow! Let it snow! When we finally kiss goodnight  
How I'll hate goin' out in the storm  
But if you'll really hold me tight  
All the way home I'll be warm The fire is slowly dyin'  
And my dear, we're still goodbyin'  
But as long as you love me so  
Let it snow! Let it snow! Let it snow!
