Gunman

Funker Vogt

now the race is on the run
so look out for your man
try to catch him in the woods
and kill him if you cancome on play the game
and catch the man
that is your aim
so do what you cannow the race is on the run
so look out for the girl
try to catch her in the woods
and take her if you cancome on play the game
and catch the girl
that is your aim
so do what you cannow the race is on the run
I am looking out for you
I will catch you in the woods
and kill you if we meetcome on play the game
and fight for your life
this is the game
where I will survivechorus:
I see you with the eyes of a hunter
that no one can escape
I am a devil of a gunman
for you it is too late
