Starlight

Freedom Call

Hear, the queen of the universe
Real, can you feel the breeze of life, tonightHave you ever been, out in the skies
Have you ever seen, the beacon in the nightShe's my starlight, she lasts forever
Silver starlight, she holds me in her armsHere, oasis of harmony
Real, once she only was a dream, the lightHave you ever been, out in the skies
Have you ever seen, the beacon in the nightShe's my starlight, she lasts forever
Silver starlight, she holds me in her arms
Hold me in your armsShe, is made for eternity
Clear, clear like the source of life, my life
