GirlfriendTo the way, I feel inside
And it's all, because you lied
And it's all, because you lied
And it's all, because you lied
And it's all, because you liedTo the way, I feel inside
And it's all, because you liedTo the way, I feel inside
And it's all, because you lied
And it's all, because you lied
And it's all, because you lied
And it's all, because you liedTo the way, I feel inside
And it's all, because you lied
To the way, I feel inside
And it's all, because you liedGirlfriendWe could be friends
Away from my heart
Away from my heart
We could be friendsTo the way, I feel inside
And it's all, because you lied
And it's all, because you lied
And it's all, because you lied
And it's all, because you liedTo the way, I feel inside
And it's all, because you liedGirlfriend
