

Jacob's Ladder

Huey Lewis & The News

I met a fan dancer
Down in south side Birmingham
She was running from a fat man selling salvation
In his hand Now he's trying to save me
Well I'm doing alright the best that I can
Just another fallen angel
Trying to get through the night Step by step, one by one, higher and higher
Step by step, rung by rung climbing Jacob's ladder Coming over the airwaves
The man says I'm overdue
Sing along, send some money
Join the chosen few Hey, Mister I'm not in a hurry
And I don't want to be like you
And all I want from tomorrow
Is to get it better than today Step by step, one by one, higher and higher
Step by step, rung by rung climbing Jacob's ladder All I want from tomorrow
Is to get it better than today Step by step, one by one, higher and higher
Step by step, rung by rung climbing and climbing Step by step, one by one
Step by step, rung by rung
Step by step
Step by step
Step by step
