Jacob's Ladder

Huey Lewis & The News

I met a fan dancer
Down in south side Birmingham
She was running from a fat man selling salvation
In his handNow he's trying to save me
Well I'm doing alright the best that I can
Just another fallen angel

Trying to get through the nightStep by step, one by one, higher and higher Step by step, rung by rung climbing Jacob's ladderComing over the airwaves

The man says I'm overdue

Sing along, send some money Join the chosen fewHey, Mister I'm not in a hurry

And I don't want to be like you

And all I want from tomorrow

Is to get it better than todayStep by step, one by one, higher and higher
Step by step, rung by rung climbing Jacob's ladderAll I want from tomorrow
Is to get it better than todayStep by step, one by one, higher and higher
Step by step, rung by rung climbing and climbingStep by step, one by one
Step by step, rung by rung

Step by step Step by step Step by step
