

New Scene (feat. Ofelia) - Original Mix

[Felix Cartal](#)

Dont believe...
Everything's not what it seems
I can't believe...
There were more steps to this dream.All I wanted was something more
Than what everyone was reaching for
I can't believe...
It was all a dream.I'll be the best escape of the in between
I'll be the...
First step to a brand new scene
All I wanted was more... x3Draw the line...
Count to three and close my eyes
And now's the time...
Take a chance, make up my mind.All I wanted was something more
Than what everyone was looking for
I can't believe...
It was all a dream.I'll be the best escape of the in between
I'll be the...
First step to a brand new scene
All I wanted was more... x3
