

Heaven's Eyes

Holly Johnson

If everything you do will someday come right back to you.
The future's all used up like leaves in a teacup (leaves in a teacup). If everything you say, is true or false the
price you'll pay
Is reaping what you sow
Lay back and let your garden grow If you've got the love who needs the lie?
How long can you hide from heaven's eyes?
When it comes it takes you by surprise
How long can you hide from heaven's eyes?
Your time is running out, while you wonder what it's all about.
Stop living in the past, live today like it's your last.
If all the worlds a stage
It's time for us, to run the page
Live life from the heart, get up and play your part If you've got the love who needs the lie?
How long can you hide from heaven's eyes?
When it comes it takes you by surprise
How long can you hide from heaven's eyes?
The choice is yours, to do the right thing.
Who knows what the future will bring.
The answer is inside yourself, it's up to you and no one else.
Oh
If you've got the love who needs the lies?
How long can you hide from heaven's eyes?
When it comes it takes you by, it takes you by surprise
How long can you hide from heaven's eyes? How long can you hide from heaven's eyes?
How long can you hide from heaven's eyes?
